

## Healthcare & Municipal Employees' Credit Union

Here at HMECU we are proud to be your financial provider of choice. As our membership grows and times evolve, the need to improve our banking system increases. We are excited to announce that we are converting to a new banking system starting on Friday, October 22<sup>nd</sup>, 2021. We decided to upgrade our banking systems so we may continue to provide you with safe, secure products and services all while utilizing the newest technology to access newer services that are emerging in the financial marketplace.

### How to Keep Up to Date on our Journey

While most of the conversion process will take place behind the scenes, there are a few things you can do to start to prepare. More information about what you need to do will be sent out later. We recommend:

- Make sure all your information is still correct. Please visit <https://online.hmecu.com/OnlineBanking/> or contact us at 905-575-8888 if you have any new information you would like to update.
- Please visit [hmecufollowourjourney.com](https://hmecufollowourjourney.com) for the most current information. Stay tuned for more information coming in the next couple of months.

We would like to thank all our members for their cooperation during this transition in advance.
